

Issue 1 FEBRUARY 2021

Notes for you Please pop dates in your diary

Wow..

What a fantastic busy start to the year!

A very warm welcome to all new families and returning families to Moama & District Preschool.

The Frog's, Kangaroo's, Emu's & Wombat's have all settled well into their new routine and we are sure your children will enjoy the time they spend here at Preschool. They will have many happy learning experiences to add to their very creative imaginative minds.

Each group reflects on the day's activities and experiences, so be sure to look at our daily diary displayed either in the front foyer or out in our front court yard to give you an opportunity to see what your children have been doing each day.

We were hoping not to have a tricky start to the year due to Covid-19, but we thank all parents/families and children in being so quick to adapt to our drop off and pick-up routines to help keep us all safe and to adhere to our Covid 19 regulations.

As we have 2 rooms starting at different times, we do kindly ask parents if they could wait in their cars until just before your start time for your child just to help with the congestion in our small courtyard area

- Wednesday 10th February AGM
