

Issue 7
JULY 2020

Welcome to Term 3 at Moama & District Preschool.

We had hoped that this term would be not as tricky as last, but for some the Border Closure has added a whole new trickiness into our daily routines. Please allow plenty of time to get over the border, drive Safe, remember your border passes & don't forget they need to be renewed after 14 days. We also understand with the stricter border restrictions put in place on Wednesday some of our Victorian families are experiencing extra difficulty. Narelle has formatted a letter to assist you with crossing the border with a little bit less stress. I have emailed this to all our Echuca Families but more than happy to print this for you if you need, and we are more than happy to print your border passes to if you need. We understand a lot of families may not have access to printers.

Term 3 at preschool is our coldest Term of the year. Please do not forget to pack warm clothes suitable for outside play (jackets, beanies) etc & don't forget to check your child's spare set of clothes in their Preschool bag is appropriate for this weather. E.g. have you swapped the summer/winter change of clothes.

Enrolments close in 1 WEEKS!

Next year looks to be a very busy enrolment year.

I have been very busy in the office with emails & phone calls from families applying to have their child enrolled. If you know anyone that may have forgotten to enrol their child please give them a reminder that enrolments close next Friday 31st July to avoid them in missing out.

Coburn & Reid Pharmacy

We cannot thank Coburn & Reid Pharmacy (Oscar's Dad – Emu class) enough for a very very generous donation of

2 x Infrared Forehead Thermometers (One for each room)

This has been immensely helpful in assisting our Teachers in making the drop off's in the mornings flow a little quicker with all of the requirements of keeping us all safe with temperature checking every child, sanitising & keeping our families at a safe 1.5mtr distance.

THANKYOU COBURN & REID & Oscar

Help us support them to say thankyou by popping into

Coburn & Reid for all your pharmacy supplies.

HELP STOP THE SPREAD OF CORONAVIRUS

BEFORE entering please read below

If you, or your children, have any of the following symptoms, **do not** enter and please seek medical advice:

- Fever
- Coughing
- Sore throat
- Fatigue
- Shortness of breath

Together we can stop the spread of coronavirus with some simple steps:

If your child is sick, **keep them at home**.

Use a tissue or cough or sneeze into your arm.

Put your tissues in a bin straight away and then wash your hands.

Wash your hands for at least 20 seconds with soap and water before and after drop off and pick up, as well as before and after eating and after going to the toilet.

Try to keep a physical distance of 1.5 metres between other families and educators.

Just a friendly reminder to all parents to please be mindful of our front garden area & garden beds. It has been brought to our attention we had a number of children were running on & through our garden beds. First & foremost safety is paramount & we cannot control or guarantee what does or doesn't get thrown over our fences by passers byers. We have had to pick up & collect items & dispose of them in the past when we check over our front yards & the garden beds can make it hard to see if things might still be in there.

It can also damage our garden & sprinklers.

Safety is paramount at our preschool so we need YOUR help to make sure this does not happen again & to keep all children safe.
